DESIGNING YOUR NEXT CHAPTER

After a successful career, many leaders ask, *what's next?* Consulting offers a way to share your expertise, create impact, and design a career aligned with your values and lifestyle. But is it the right move for you? In this interactive session, you'll explore key questions to guide your transition and gain clarity to design your next chapter grounded in purpose, service, and strategy.

What you'll learn

- How to define your purpose, values, and vision of success.
- Key questions to shape your services and identify who you will serve.
- Ways to clarify your value proposition and differentiate your approach.
- What it takes to start and grow a consulting practice.

Who should attend

Seasoned business leaders and executives in transition who are:

- Exploring consulting or entrepreneurial paths.
- Looking to leverage their expertise for greater flexibility and impact.
- Seeking clarity on how to translate corporate success into value creation.
